

Live Answer Service

For Attorneys & Law Firms

1 Tell us how you want your calls scripted

2 Set your calls to forward to our 24/7 call center

3 Our agents answer and follow your script

4 Information is sent back to you automatically

Use us for:

Message Taking

Have our agents act as your personal assistant for general purpose message taking

Screen Calls

Forward important calls immediately, like calls from a Judge

Appointment Scheduling

Offload the hassle of scheduling and/or rescheduling appointments

Overflow Calls

Calls that you are unable to answer are forwarded to our phones and taken care of by our agents

After Hour Calls

Provide true 24/7 phone coverage and stop missing important after-hours leads

New Client Screening

Let us gather information on potential clients while you work

FAQ

Have our agents answer those common questions so you can focus on the bigger picture

Save money by having us schedule appointments for you

Provide your clients the peace of mind of speaking with a live person after hours

Don't miss a business opportunity, we'll take messages for you while you're not available

"Working with PATlive has been an amazing experience. Running a busy law practice can be very stressful, and deciding to use the Live Answering service felt like a huge weight was lifted off of my shoulders. The receptionists are always friendly and professional, and I know that my clients will be taken care of."
